

## Exeat Policy

### Related documents include:

- Student Handbook
- Safeguarding Policy

### Legal Status:

### Monitoring and Review

- This policy will be subject to continuous monitoring, refinement and audit by the Principal
- The Principal will undertake a formal annual review of this policy for the purpose of monitoring and of the efficiency with which the related duties have been discharged, by no later than one year from the date shown below, or earlier if significant changes to the systems and arrangements take place, or if legislation, regulatory requirements or best practice guidelines so require.
- The next official date for review is **February 2020**

## Introduction

The Abbey College Exeat Policy should be read in conjunction with the Student Handbook.

A student who wishes to leave the College during a weekday or stay away from the College overnight must have permission from the Principal or Duty Manager

## Procedure

### The procedures are as follows:

1. Normally, students are not allowed to be away from College during class time, but permission may be given under special circumstances.

If a student needs to leave College during the daytime on a weekday,

- they need to obtain the permission of Principal or Duty Manager, who will issue them with a completed 'Permission to Miss Classes Note'.
- they must make sure that they **sign out** in the 'Signing Out' book before they leave.
- they must make sure that they **sign in**, in the 'Signing Out' book on their return.

Students wishing to visit local shops on Wells Road may only do so out of class time;  
**not during lessons, Prep, study periods or compulsory Clubs/activities.**

2. If a student plans to stay away from College overnight, then they **must** obtain an 'EXEAT'.
  - Exeat forms are available from Student Services.
  - Students aged 18 and under will need to complete an Exeat form and arrange for written permission to be sent to the College from their parents or guardians to the email addresses

below or ask their parents or guardian to email a completed Exeat form to:

[welfare@abbeycollege.co.uk](mailto:welfare@abbeycollege.co.uk) and [debbie@abbeycollege.co.uk](mailto:debbie@abbeycollege.co.uk) **before** permission will be given.

- Parents or guardians will need to state:
  - the reason for the Exeat
  - the address the student will be staying at and who they will be staying with
  - contact details of where staying
  - travel arrangements
  - date and time leaving, date returning
- They will also need to give permission if the student is to travel on their own.
- **Note:** Students aged 18+ may not need written parental permission. Details are held on each student's file. However, students aged 18+ must still complete an Exeat Form and ensure they provide full accommodation and contact details for while they are away.
- Exeat forms, fully completed, must be submitted/mailed to Student Services **at least 48 hours before the student wishes to leave the College.**
- Once completed and parent consent is confirmed by email, the Exeat form is passed to the Principal for approval.
- The Principal will only sign an Exeat form once it has been determined that it is acceptable for the student to leave the College and, once signed, return it to Student Services.
- Only after the Principal has signed the form and returned it to Student Services can a student leave.

**This procedure must be followed each time an Exeat is required.**

**NOTE: Permission, where needed, cannot be given in telephone conversations.  
It must be given in writing.**

It is extremely important for safety reasons that we know if students are away from College, and where they are when away, and it is a serious breach of the rules not to follow the above procedures.

**Applications for Exeats will not be considered without the minimum 48 hours notice.** In an emergency, an Exeat may be given if written permission is received from a parent, guardian or agent.
